

OUR STORY

At Marsh McLennan, we bring clarity to complexity,
With our depth and range of expertise.

It's why we take on challenges with a bold and unified Purpose:

Building the confidence to thrive through the power of perspective.

Our Purpose lives throughout our company.

It's how we help clients overcome challenges to create opportunity and economic progress.

How we help them shape the workforces of tomorrow to build a brighter future.

How we help them develop the strategies that drive transformative breakthroughs.

Together, we will uncover greater possibilities.

Together, we will help clients achieve their ambitions.

Because working across our world-class businesses is more than a unique advantage.

It's how we introduce clients to the best of who we are and what we bring.

We are committed partners, with unique expertise

And the ability to deliver actionable solutions.

And how we collaborate can make all the difference.

So that along with every client and community we impact,

OUR PEOPLE BRING THE BEST IDEAS FORWARD

Individually, and as an enterprise, we are here to build the confidence to thrive through the power of perspective.

Three Commitments unite us as we strive to live our Purpose:

Committed partners

We work with curiosity, care and integrity to understand your unique needs and enable your ultimate success.

Unique expertise

We bring a distinct combination of capabilities – from data-driven insights to deep industry knowledge and experience – clarifying your view of present and future risks and opportunities.

We provide practical solutions to your most pressing challenges, delivering results that help businesses and communities thrive.

EACH ONE A GLOBAL LEADER

Marsh is a global leader in insurance broking and risk management. It enables clients to grow, innovate and create value by helping them understand their risks to meet

Guy Carpenter is a leading global risk and reinsurance specialist, delivering a powerful combination of broking expertise, industry-leading analytics, trusted advisory services and capital management solutions to help clients achieve profitable growth.

The firm has been at the vanguard of the reinsurance broking industry for more than 100 years. Strong line-of-business insights and deep market knowledge make Guy Carpenter a reinsurance industry leader.

Mercer is a global leader in helping clients realize their investment objectives, shape the future of work, and enhance the health and retirement outcomes of their people.

For generations, we've provided clients with actionable insights and forward-thinking solutions, and as our global reach and resources have expanded, so have our capabilities. Today, Mercer works with clients in 130 markets around the world. Health and benefits: delivering innovative solutions that address our clients' and their employees' health and wellness needs. Career: helping employers design and implement workforce strategies to position their business and people for success today and in the future. Investments: partnering with institutional investors to build more resilient portfolios, capture opportunity and manage risk through our market-leading research, advice and solutions. Retirement: helping employers and their employees to enable financial security for life.

Oliver Wyman is a leading global management consulting firm that combines deep industry knowledge with specialized expertise in strategy, operations, risk management, and organization transformation. The firm helps clients optimize their businesses, improve their operations and risk profile, and accelerate their organizational performance to seize the most attractive opportunities.

Oliver Wyman's thought leadership is evident in its research and white papers.
